

Proclamation of the Class of 1976, Illiana Christian High School

We, the Senior class of Western Hundred and Seventy-six, having fully completed our chosen Courses of Study, are prepared to use our full Abilities in God's Service. _____ We acknowledge our Heritage, which was passed on to us by our Forefathers. The Heritage of a great Country; powerful and mighty, one with great Opportunities. _____ But even more importantly, we recognize the Heritage of our Christian Faith. _____ In our quest at Illiana, we have grown in this faith, and we hereby resolve to make our Lives Examples to Others so that we may Witness, not only through this faith, but also through our attitudes and life styles. _____ We are now ready to do the work which God has set before us, each according to His own Talents. _____ We hope and pray that God will continue to bless each One of our Class, as He has done in the Past. _____

*Blessed is the nation whose God is the Lord,
the people whom he has chosen as his heritage!*
Psalm 33: 12

*God of our fathers,
give unto us,
thy servants,*

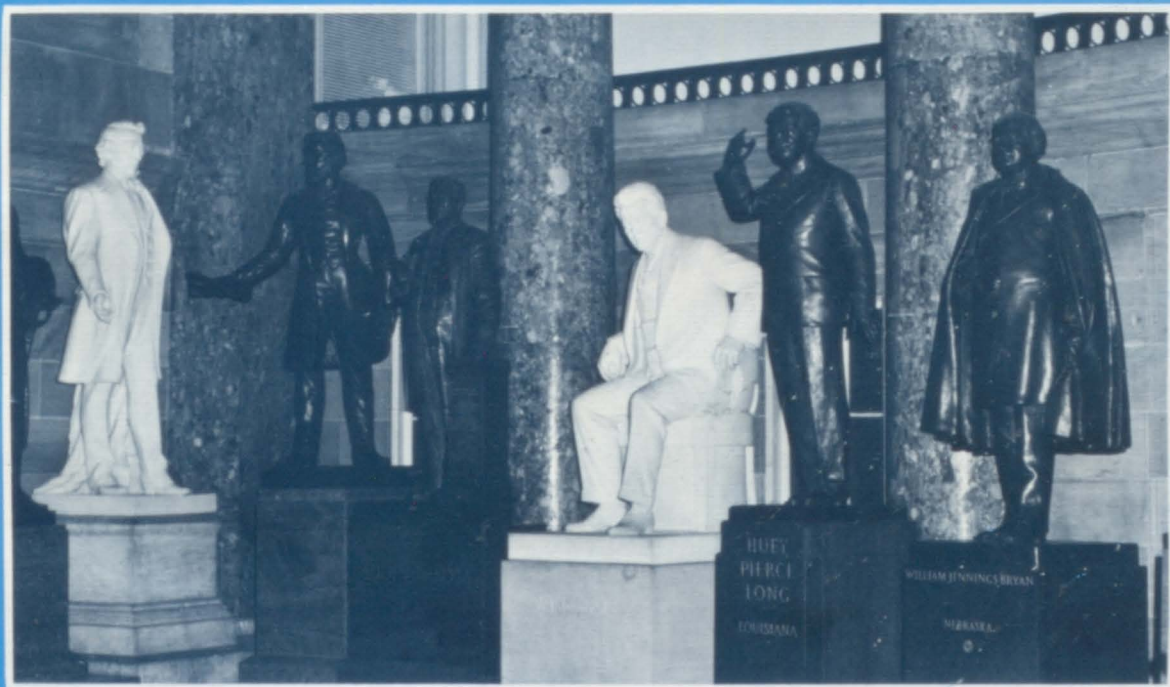

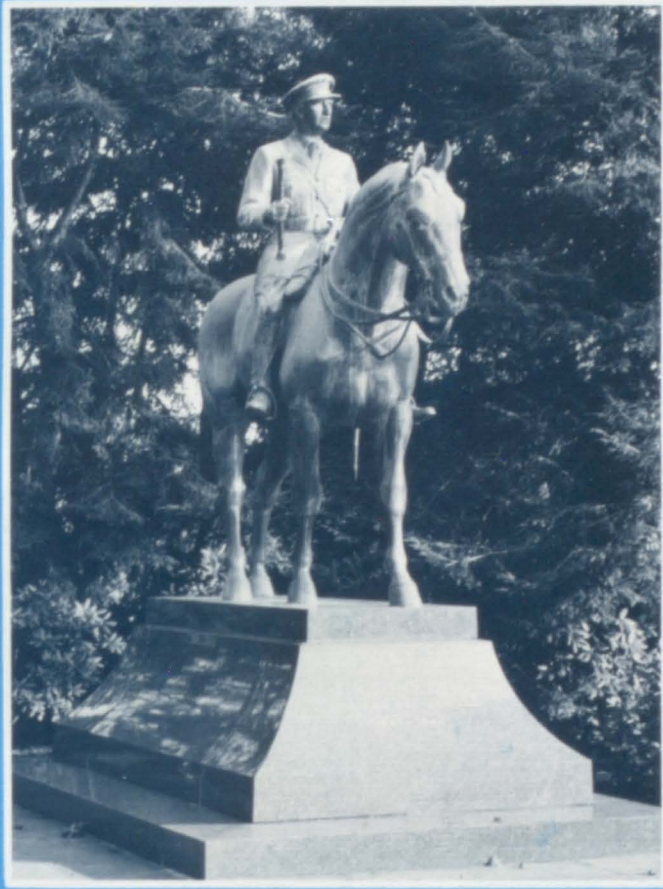

*a true appreciation
of our heritage,*

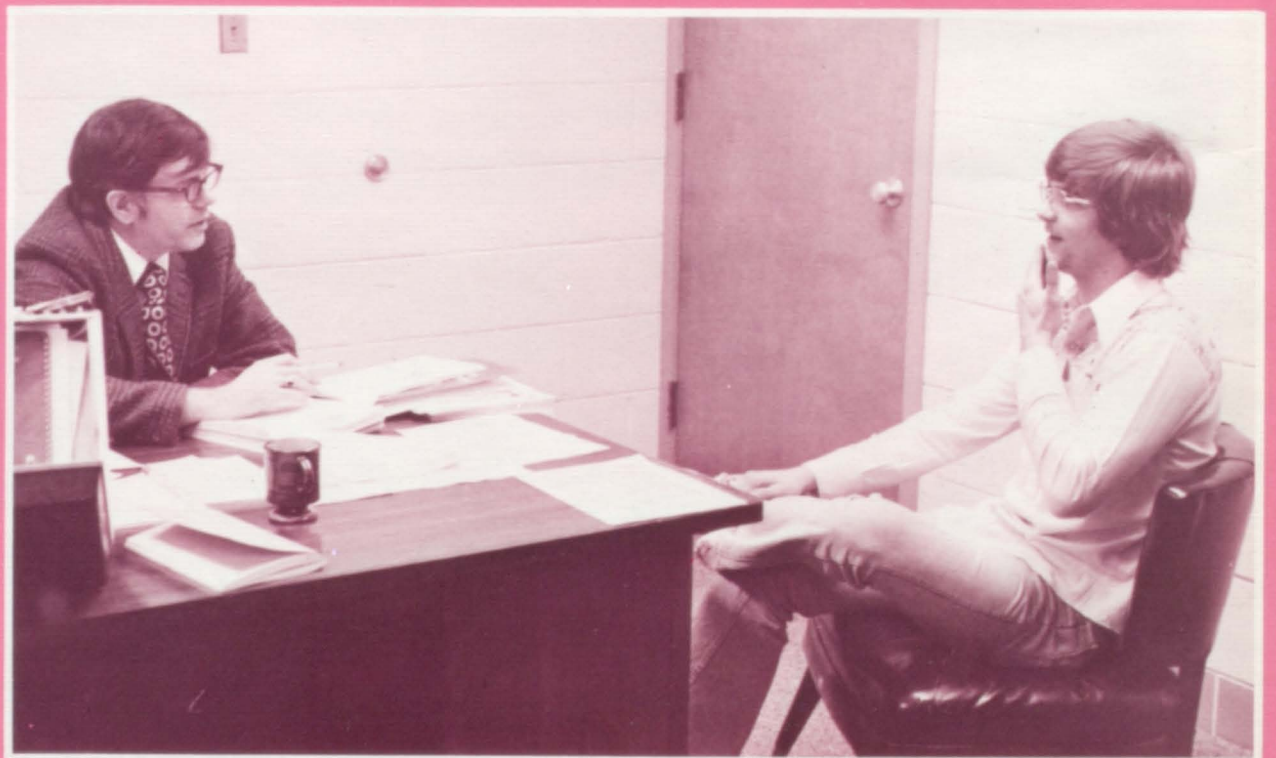

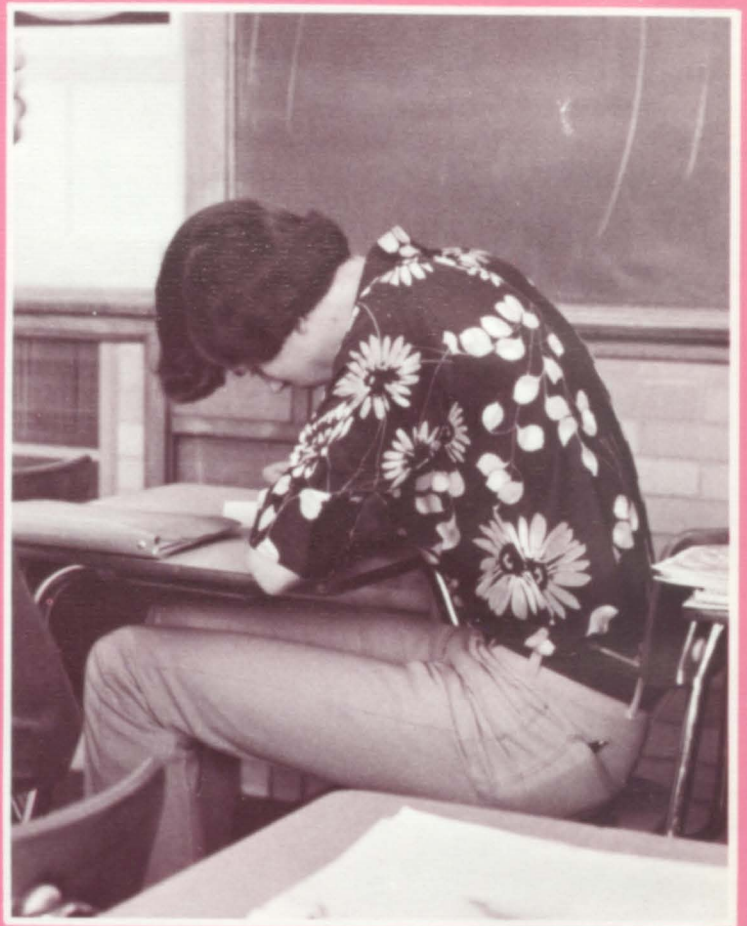

*of great men and
great deeds in the past,*

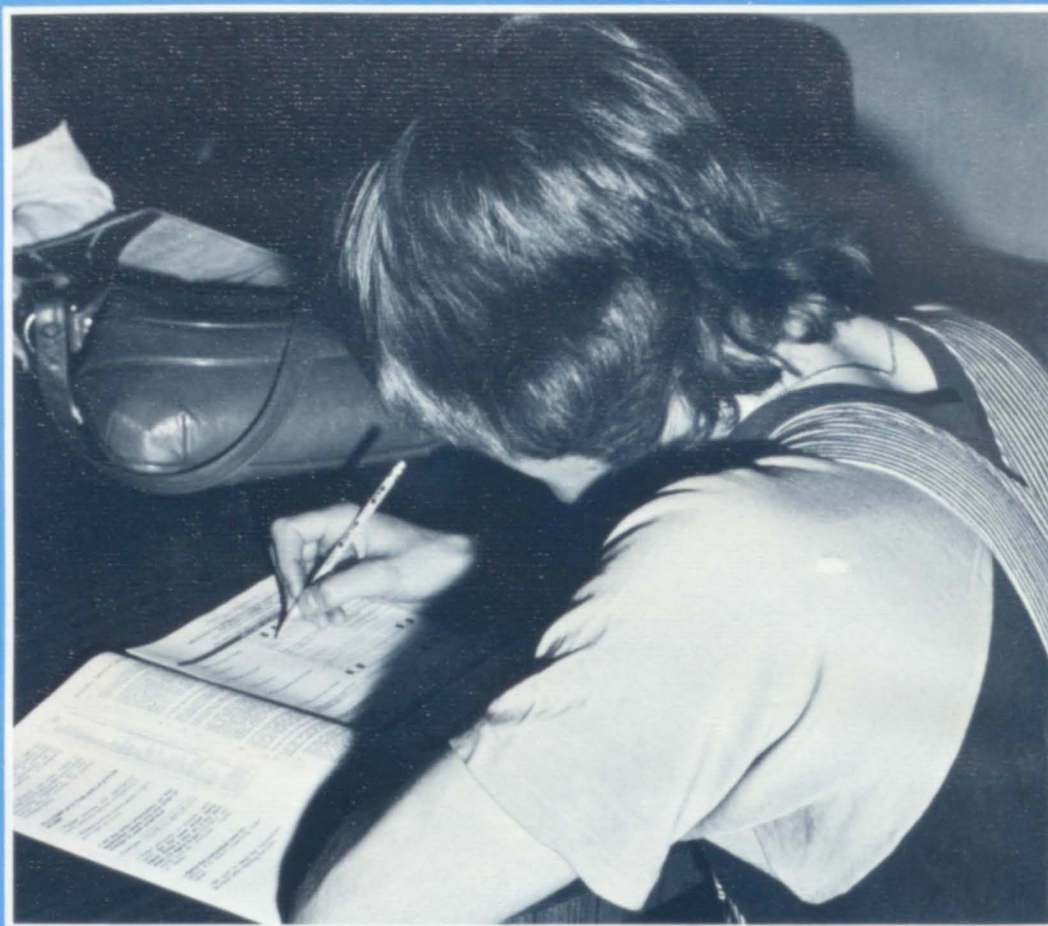

*but let us not be
intimidated by feelings of our own
inadequacy for this troubled hour.*

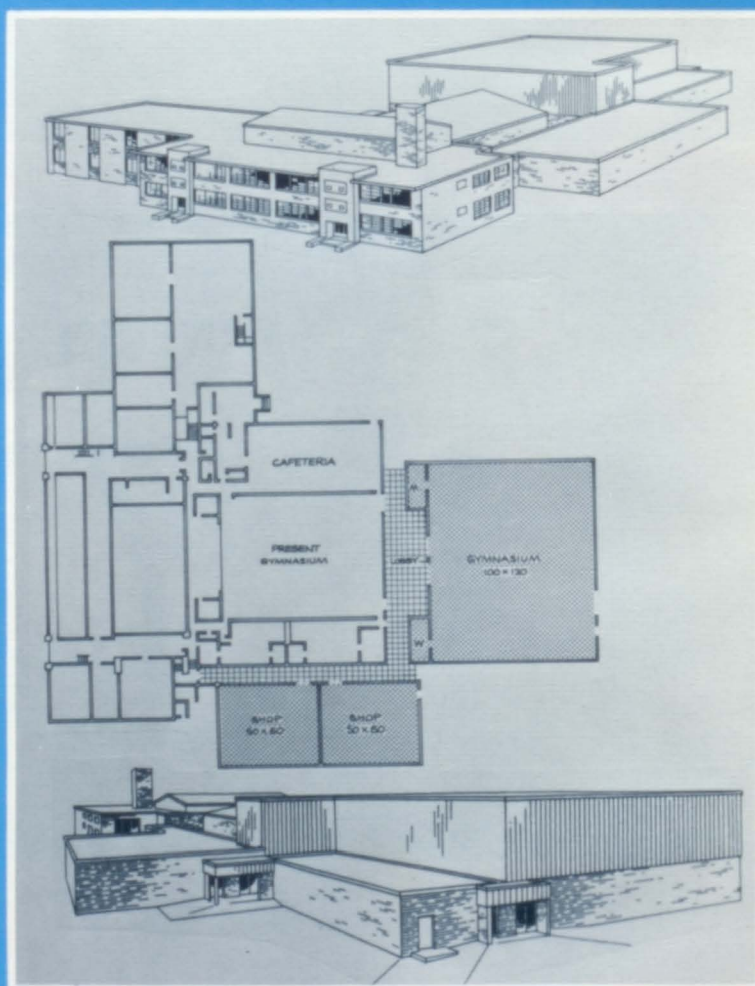

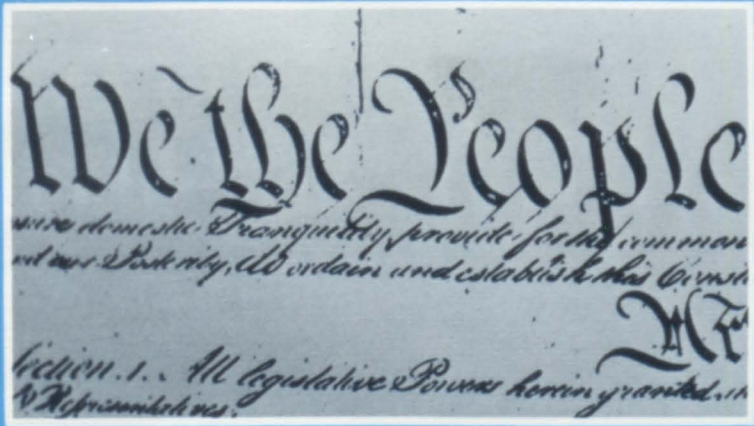

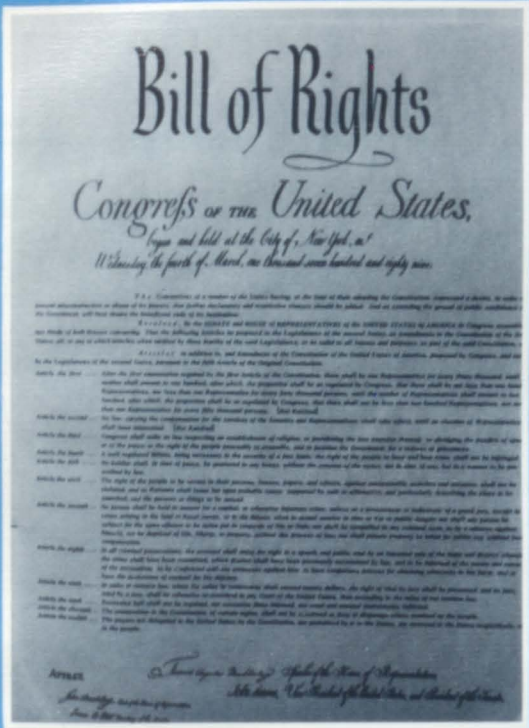

*Remind us that the God
they worshiped, and by
whose help they laid the
foundations of our Nation,*

*is still able to help us
uphold what they bequeathed
and to give it new meanings.*

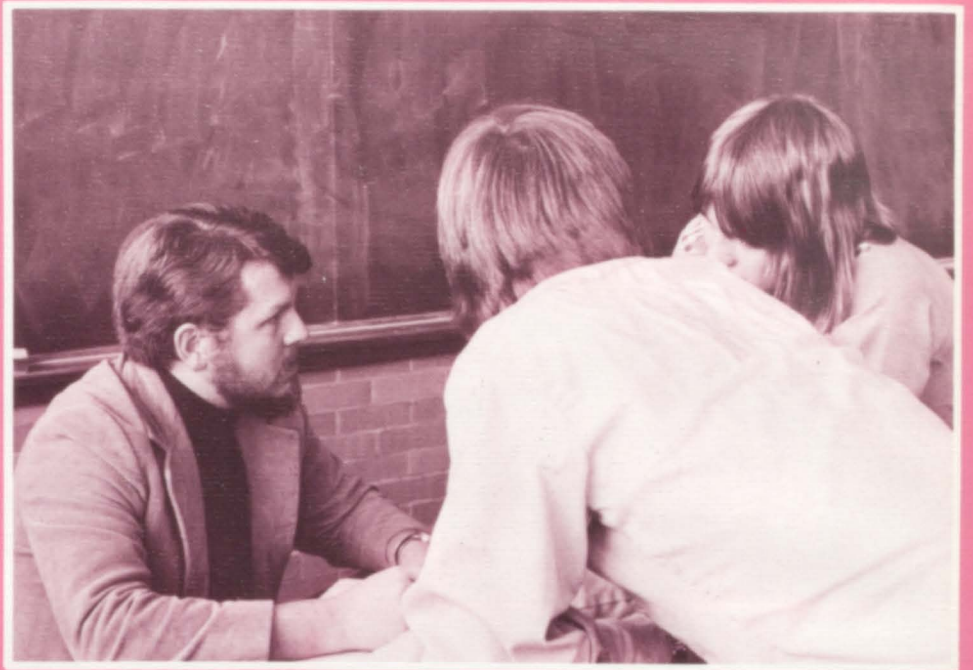

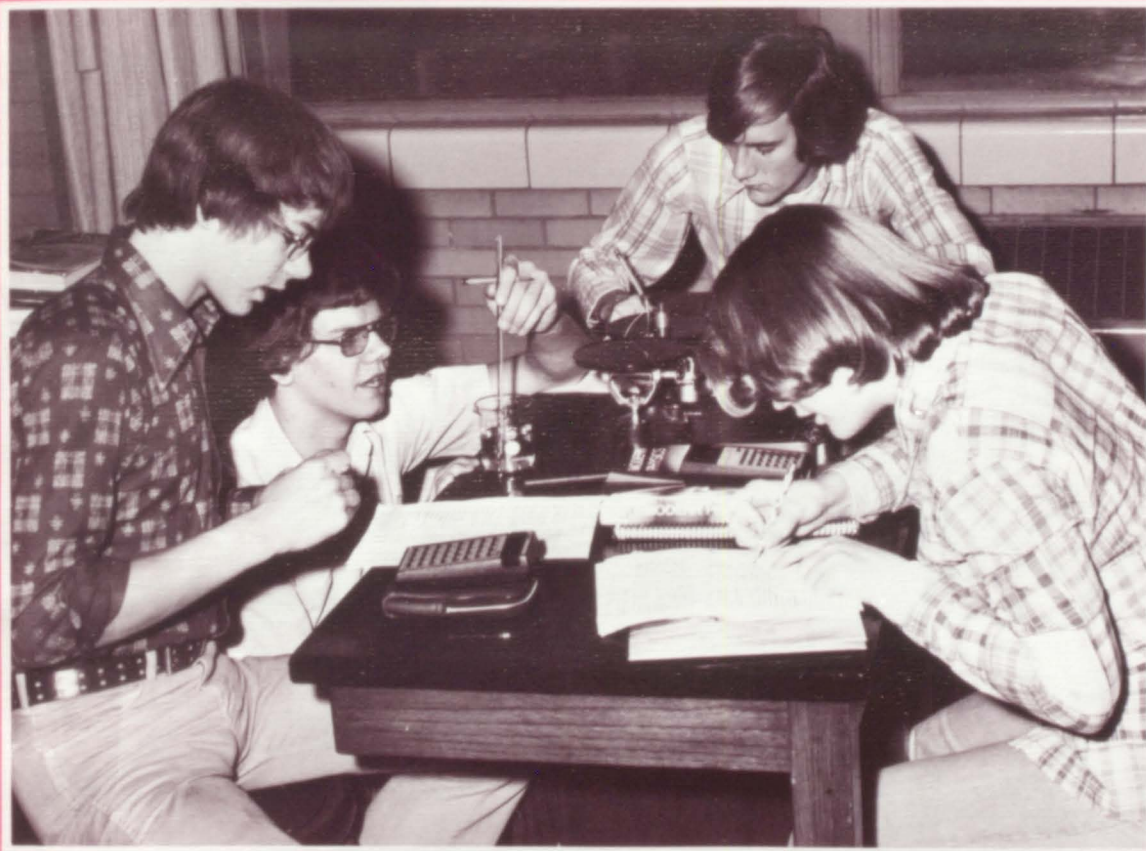

Remind us that we are not called to fill the places of those who have gone,

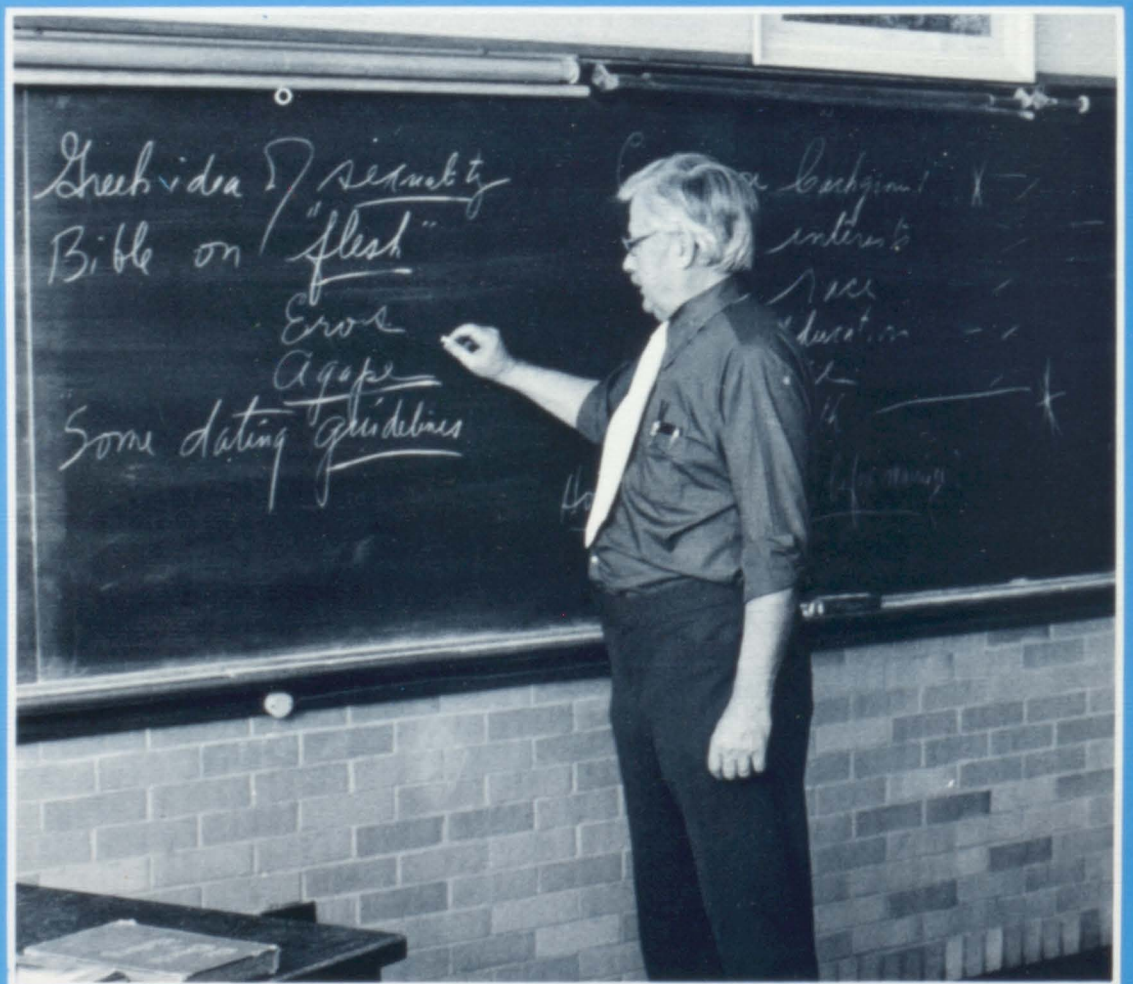

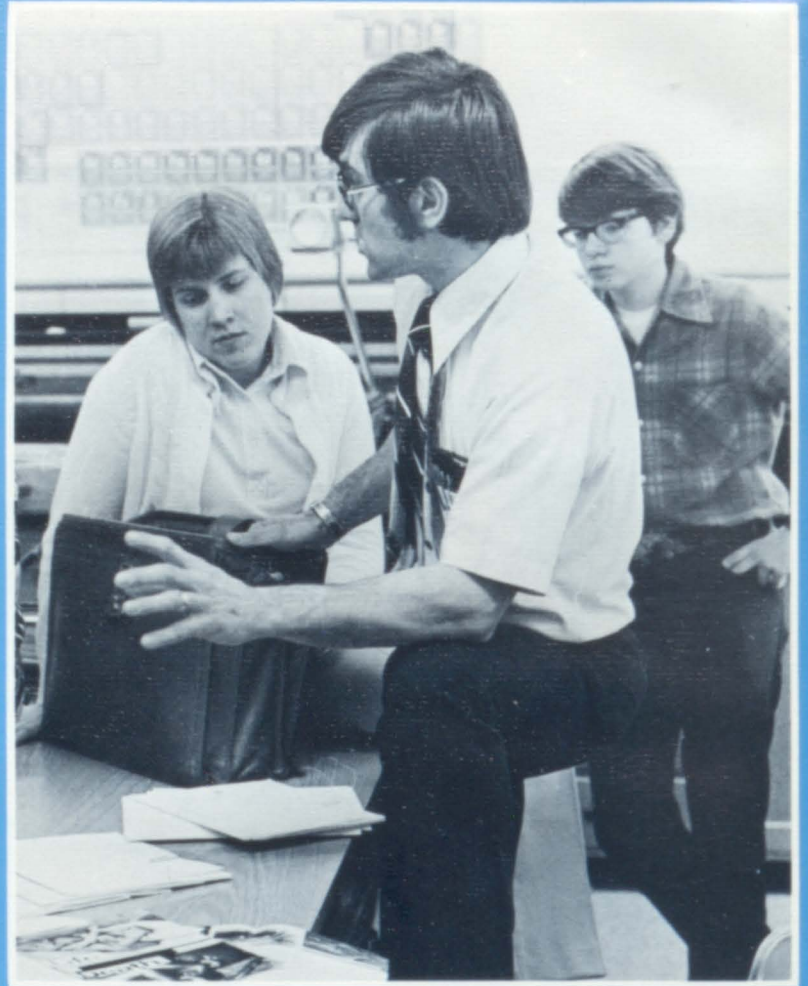

*but to fill
our own places,*

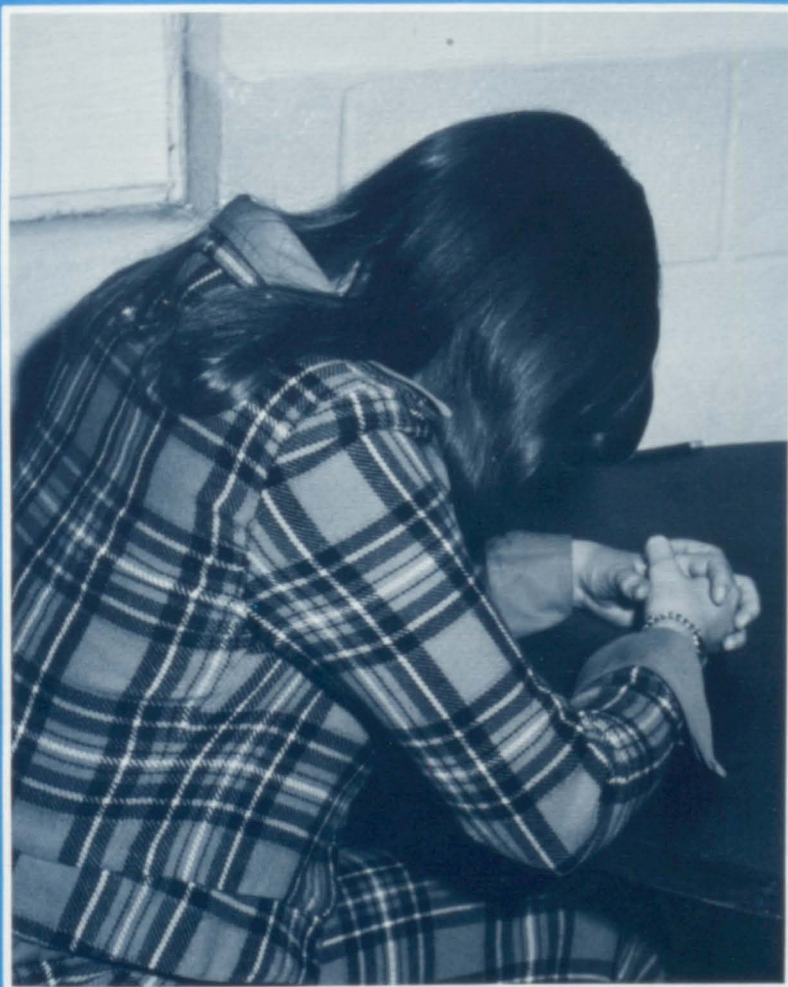

*to do the work
thou hast laid before us,*

*to do the right
as thou hast given
us to see the right,*

*always to do the very best we can,
and to leave the rest to thee.*

Dedication

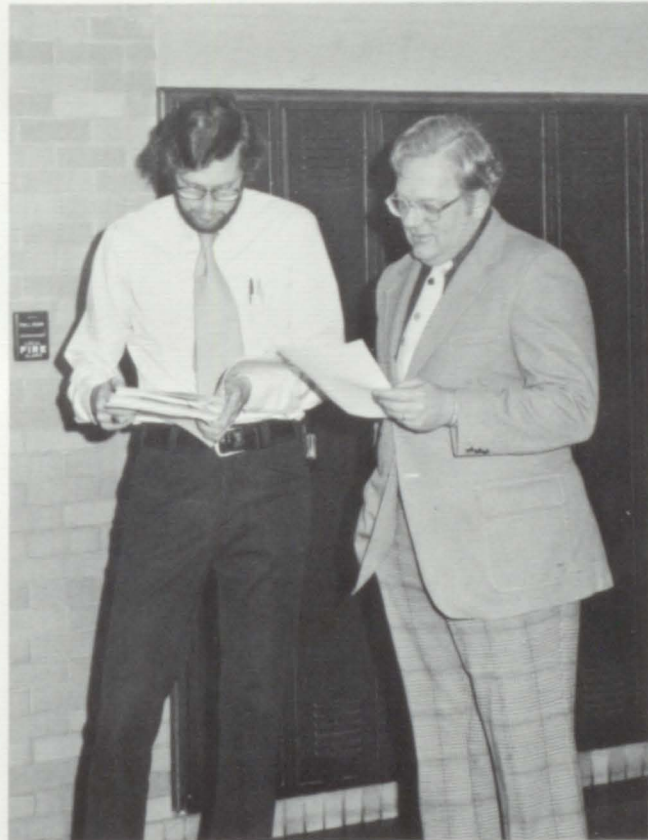

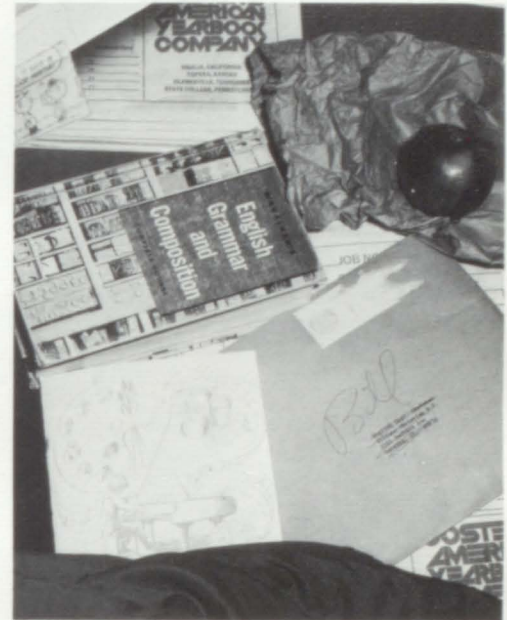

Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, for as much as ye know that your labour is not in vain in the Lord.

I Corinthians 15:58

No one can really enjoy life without being able to formulate and express ideas. Yet the ability to communicate is not one which is easily attained.

Mr. Vande Kopple, your instruction in English has equipped us to transcribe our thoughts into words. Your guidance and support of the Spire and the Varia exemplify your Christian attitude and patient manner. For your encouragement, your care and your concern, we simply say thank you.

Mr. Vande Kopple, appreciating your dedication to us, we dedicate the 1976 Spire to you.

The Skimmer 440 and 400

The 650 is the hottest Skimmer. But it's a little hard to think of a 440 or a 400 as cool, even in 10 inches of powder. Fact is, our 440 (left) and our 400 (right) have impressive power-to-weight ratios. Chances are, you'll eat very little snow aboard any of the Evinrude Skimmers.
